

Mohanad Jameel

Laboratory Supervisor

PERSONAL INFORMATION

Full Name: Mohanad Jameel
Address: Iraq, Maysan
Phone: 07832357574 / 07719885389
Email: Mohanad.abid2020@gmail.com

TECHNICAL SKILLS

	MS Office	
	MS Project	
	MS Outlook	
	Stimulation Lab.	
	Cement Lab.	
	Mud Lab.	

EDUCATION

BSc., chemistry science
University of Basra

LANGUAGES

Arabic (Native)
English (Fluent)

OBJECTIVE

Work in a challenging environment in a business company or organization, where I can utilize my capabilities to advance in my career.

Willing to take responsibility and work independently. At the same time, I can work well in teams.

My background and growing up experience have given me a deep insight into the culture and society together with a wider scope in the world of business.

EXPERIENCES

Freelance Lab consultant

2023 Feb

PetroChina Project:

- Initiate a new Corrosion Rate Lab in the South Iraq and provide it with equipment and documentation suitable to launch upon Client requirement.
- Renovate the lab to fit the HSE rules.
- Establish new inventory system for the lab equipment and their calibration status.

Employer: Schlumberger

Position: Laboratory Supervisor

October 2021 – Current

CERTIFICATES & TRAINING

Training center:

- Mini MBA Program.
- Google Forms.
- Microsoft Office **Project** 2019.

Pulse Training Centre:

- Basic life support program.
- Lifesaver Program.

Rumaila Academy:

- Hazard Identification.
- Safety Foundation.

OiLSERV Co. Internal Courses:

- Falls & Falling Objects and Hand Tools.
- Working at Height.
- Stepping, Handling, and Lifting.
- Electrical Safety.
- Fire Fighting.
- H₂S Basics.

Schlumberger Co. Internal Courses:

- Safety Introduction level 1, 2.
- Oxidizer and flammable chemical handling and Storage.
- Safe Handling of Chemicals
- Chemical Safety Controls lvl1, 2

IHRDC:

- Acidizing and other chemical Treatment.
- Specialised Well Log Interpretation.
